Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI ARJUN SINGH)

(a),(b),(c),(d),(e),(f)&(g): A Statement is laid on the Table of the House.

Statement referred to in reply to Lok Sabha Starred Question NO. 211 On Integrated Child Development Scheme for 20-7.2004 By Shri Shivraj Singh Chouhan & Shri Prabodh Panda.

(a) & (b) The Integrated Child Development Services (ICDS) Scheme is a nationwide child development programme, which aims at holistic development of children (0-6 years) and expectant & nursing mothers from disadvantaged sections by providing a package of services comprising supplementary nutrition, immunization, health check-up, referral services, pre-school non-formal education and nutrition & health education. It is a centrally sponsored Scheme in which Central Government is responsible for programme planning and operating costs and State Governments are responsible for its implementation and for providing supplementary nutrition out of States` resources. Out of 5652 sanctioned Projects, 5267 projects have become operational as on 31.3.2004. State-wise number of ICDS projects sanctioned, targeted for operationalisation and made operational during the last three years is at Annexure - I.

(c) State-wise details of funds released by the Government of India and expenditure reported by the States during the last three years are given in Annexure -II.

(d) State-wise no. of beneficiaries under the ICDS Scheme, as on 31.3.04, is given in the statement at Annexure-III.

(e), (f) & (g): The impact of the Scheme has been significant in the field of health, nutrition and educational status of the beneficiaries as brought out by the National Evaluation on ICDS Scheme (National Institute of Public Cooperation and Child Development-1992); ICDS Survey, Evaluation and Research (Central Technical Committee on Integrated Mother and Child Development - 1996); National Evaluation of ICDS Scheme (National Council of Applied Economic Research 2000-01). Number of beneficiaries of supplementary nutrition component has increased from 2.27 crore at the end of VIII Plan to about 4.15 crore as on 31.3.2004 and no. of Pre-school education beneficiaries has increased from 1.07 crore at the end of VIII Plan to 2.04 crore as on 31.3.2004.

The steps taken to improve the impact of the Scheme include, expanding coverage of the Scheme; substantial increase in the honoraria of Anganwadi Workers and Helpers with effect from 1-4-2002; introduction of `Anganwadi Karyakarti Sima Yojana` for Anganwadi Workers and Helpers; better coordination with the Ministry of Health and Family Welfare for further improvement in the delivery of health services under the Scheme; Common Minimum Programme of the Government also envisages universalisation of the ICDS Scheme.
